

STRONGER TOGETHER: Publishing Hope Beyond Crisis

"LittWorld dramatically changed my life. There I got not just encouragement, a wider worldview, but I got connections with other authors and publishers." - Sergey Sologub, Ukraine

LittWorld 2022 will bring together more than 200 Christian communicators from around the world to gain fresh vision, creativity, and intensive training to make biblical truth accessible to readers today. This year's theme, **Stronger Together: Publishing Hope Beyond Crisis**, allows us to press into the challenges of the past 18 months and find new and innovative ways to work together and create resources that will impact our world for years to come. LittWorld 2022 is the first LittWorld conference held in continental Europe and is hosted by [MAI-Europe](#). All Christian publishers, editors, writers, designers, and other staff are welcome.
